

2017 Mark Dudley Scholarship Application

Description:

The Midwest Hemophilia Association, a Missouri not-for-profit corporation, is proud to offer a new scholarship, the Mark Dudley Scholarship, to a qualified student in the hemophilia community. It is our sincere hope this will, in a small part, assist in the further education of our youth. The scholarship will be \$1,000.00, applicable to the 2017-2018 school year.

Qualifications:

The scholarship is open to any post secondary undergraduate student who has been diagnosed with a bleeding disorder and lives in the service area of the Midwest Hemophilia Association. The service area has been defined as western Missouri and eastern Kansas. The scholarship is for continuing education via college or trade school. It will be the responsibility of the Board of Directors of Midwest Hemophilia Association to review all applications and make a decision as to the recipient. The funds may be used at the discretion of the recipient (i.e. books, tuition, room and board, etc.) The recipient will be asked to submit a short report to the Midwest Hemophilia Association as to how the funds were used.

Application Information:

Biographical Data:

Full Name

Date of Birth

Address: _____

Phone Number

Email Address

Education Background:

High School

Cumulative GPA _____

Class Rank _____

Honors, Awards, etc.:

Outside Activities:

Clubs, Organizations, Other Related Activities:

Essay:

Each applicant must submit an essay on why they feel they should be awarded the Mark Dudley Scholarship. This may be as long or short as the applicant desires. It should be typewritten on separate paper and submitted at the time of application.

References:

Please submit two written personal references from individuals who have known you for at least three years. These may be from neighbors, clergymen, teachers, group leaders such as Boy Scout Scoutmaster, etc. They may not be relatives.

Signature of Applicant

Date

Applications must be received no later than June 1, 2017. Please send completed applications to:
