

Midwest Hemophilia Association

April 9, 2019

To Our Community Members & Industry Partners:

The Midwest Hemophilia Association Board received the resignation of the board president, Aimee Hoyt, yesterday afternoon. We want to thank Aimee for her service to our community and wish her well in her future plans.

With the support of NHF and HFA, the MHA chapter and board is moving forward in our service to the community. Thank you for your patience with us as we go through these transitions and continue building your chapter for a better future.

The executive board is continuing with the process of hiring a new executive director. We will be posting the position on our website (www.midwesthemophilia.org) and other outside hiring sites.

We are also working to build our chapter board and are accepting board applications which also can be found on our chapter website. Applicants are not required to be part of the bleeding disorder community.

We appreciate all of you and it is our honor to serve the community of Midwest Hemophilia Association.

Sincerely,

Jaci Colter, Nora Ancel, Bridget Castro, Alex Meisch, Angela Brown and Jennifer Rentschler
MHA Board Members

Dakota Rosenfelt and Kyrie Smith
Junior Board Members
