This year's Family Fun Fair will be a great one! We have a wonderful slate of speakers and educational topics for your enjoyment. In addition, we will enjoy a fun filled evening with a nice dinner at the hotel and lots of fun at Lego Land next door!

Children 5 to 12 and teens ages 13 and up will enjoy a full afternoon of fun activities and entertainment at Union Station and Science City. Children 0 - 4 will have childcare and activities provided both days at the hotel.

Once again, we will have many exhibitors at this year's Family Fun Fair. You will have opportunities to meet the representatives from each of the companies and find out what they provide in the way of educational materials, programs, and services for people with bleeding disorders. There will also be information about many of the MHA programs like Summer Camp, the Steps for Living program, Advocacy, and our MHA NHF Hemophilia Walks.

After the speakers' presentations on Sunday morning, MHA will hold a general membership meeting followed by an exciting raffle drawing. Funds raised from the raffle will be used to support the many MHA programs like the Steps for Living program, Columbia, Springfield and Wichita activities, and scholarships for young people with bleeding disorders.

Check-in will begin and exhibits will open at 9:00 a.m. on Saturday, September 19<sup>th</sup>. Be sure to complete your enclosed registration form and mail it in with your fees before the August 24<sup>th</sup> deadline to make sure your room and space at Family Fun Fair is reserved!
