**Parents:** Our Nannies are experienced, professional childcare providers and have a basic understanding of bleeding disorders. We have stickers and forms available to indicate any/all health concerns and/or general care instructions you would like them to know. Please be sure to fill these out during check-in. Also, make sure to bring any necessities (diapers, wipes, bottles, pacifiers, favorite blankies, etc.)

They will take amazing care of your little ones. Enjoy a little break! Please contact Angela Brown, with any questions or concerns. 314-952-6265
