Registration Deadline: August 20th

We are looking forward to seeing you at **Family Education Weekend** (formerly Family Fun Fair)! Why the name change? We are glad you asked! MHA wanted to clarify our objective for this event which is to connect our community of people living with a variety of different bleeding disorders with educational information, resources, and each other!

We welcome you to join us for this annual educational weekend provided at minimal cost to you thanks to our many industry sponsors! Please complete the attached form and return it by the registration deadline.

Here's what you can expect both days...

- ★ Adults will enjoy a variety of educational topics including VWD, Hemophilia A & B, men's/women's breakout, and more! You will also have the opportunity to connect with each other and explore resources with our industry sponsors.
- ★ Childcare 0-5 year old (not currently in Kindergarten) will have fun with the Nannies of KC for playtime and age-appropriate activities.
- ★ Youth Program K-5th (currently in Kindergarten) will do some exciting hands-on learning as well as spend some time at a local park.
- ★ Teen Program (6th-12th grade) will get to develop their very own youth project and do some social networking with NHF's educational program.
- ★ EVERYONE will enjoy our Saturday night social, dinner and activities at Dave & Busters.

The excitement and fun **begins at 9 a.m. on Saturday, September 15 with check-in, open exhibit hall and childcare/youth/teen programs.** We will say "see you next year" on Sunday, September 16 by Noon.

If you are new to the community or this is your first time attending, we want to meet with you Saturday morning to help you navigate the weekend and help you get connected! Please indicate on your registration form if this applies to you!
