

May 21, 2020

Hello,

I want to thank you for your patience, understanding and continued support for Midwest Hemophilia Association and Camp Wilderness during this unusual time for everyone.

It is with great sadness that I announce, Camp Wilderness at Lake Doniphan Conference and Retreat Center on July 26<sup>th</sup> through July 31<sup>st</sup>, 2020 has been cancelled.

After many hours of deliberation, it has become increasingly more difficult to continue with Camp Wilderness in its current format. We have been hopeful since the beginning of the COVID-19 onset to host Camp Wilderness. Unfortunately, there are too many logistical and practical challenges to ensure everyone is safe and healthy while having the best week ever.

While we will not have a traditional camp experience this year, we are hopeful that we can incorporate aspects of Camp Wilderness into MHA's Family Education Weekend coming up on September 19th and 20th, 2020. If your camper is already registered, you will receive more information through our online registration system CampDoc.

I look forward to seeing you in September at Family Education Weekend and most definitely next year at Camp Wilderness!

Thanks,

A handwritten signature in black ink that reads 'Luke Saulsberry'. The signature is fluid and cursive, with the first name 'Luke' being particularly prominent.
