

## MIDWEST HEMOPHILIA ASSOCIATION

Dear MHA Community,

The Board of Directors have been carefully monitoring the rapidly changing situations regarding the Coronavirus (COVID-19) outbreak. We want to ensure you we are doing our part in abiding by the guidelines recommended by the CDC and World Health Organization (WHO). We encourage you to do the same.

In response and concern for the health and safety of the community, along with the growing number of travel restrictions for HTC staff, session speakers, and industry partners, as well as the unknown of any future cancellations, the MHA Board has made the difficult decision to postpone events and programs in March. Right now, postponing April events is being considered on a daily basis and will be noted on our [website](#) and [FB page](#). We fully expect events to be rescheduled at later dates.

All other events are currently operating as scheduled, including our [Unite for Bleeding Disorders Walk](#), Springfield Education Day, and [Camp Wilderness](#)! Make sure you sign up for those! Health comes first in our community.

If you are in need of assistance please call the MHA office, 816-479-5900. We are still up and running and here for you!

If you have questions or concerns related to your personal health and/or COVID-19, please contact the Kansas City Hemophilia Treatment Center, 816-302-6869.

Best regards,

Angela Brown  
Executive Director

Midwest Hemophilia Association Board of Directors

1471 W. SOUTH ST, SUITE F, OZARK, MO 65721
