family game night!**

# THE GREAT *Midwest* JEOPARDY CHALLENGE

---

**Thursday, November 19, 2020 / 6:30 P.M. (CST)**

---

Please join BioMatrix, CSL Behring and 3 Midwest bleeding disorders chapters for this historic event as the Executive Directors from each chapter go head-to-head in a bleeding disorders' Jeopardy challenge.

Bleeding Disorders Alliance Illinois, Gateway Hemophilia Association, and Midwest Hemophilia Association will test their bleeding disorder knowledge in this spirited, come one, come all event. During some of the gameplay, community members can participate by throwing their knowledge at a struggling Director.

There will be banter, jests, and the expected Executive Director bravado. There will be education, right answers, wrong answers, and "Hey! I didn't know that!" moments. There will be the laughs, cries, and sighs of a good time had by all. Please join us!
