

## Gene Therapy Research: Understanding the Science

Join us and BioMarin Pharmaceutical as we answer questions about gene therapy research, including:

- How gene therapy research is designed
- What different types of gene therapies are being researched
- Why are some people better candidates than others

 **Date:** November 29, 2022

 **Time:** 6:00 PM-8:00 PM CST

 **Location:** The Brass Onion  
5501 West 135th Street  
Overland Park, KS 66224

Presented by:

Julie Golla  
Sr Account Manager - Hemophilia Gene Therapy  
BioMarin Pharmaceuticals
