

# A gene therapy presentation you won't want to miss

Brought to you by B:OMARIN®

## GENE THERAPY IN HEMOPHILIA: COME FIND OUT WHAT ALL THE BUZZ IS ABOUT—FROM CURIOSITY TO ELIGIBILITY AND BEYOND

**Gene therapy has arrived!** Join us for a one-hour presentation to hear how gene therapy is designed to work and why eligibility testing is the first step on the gene therapy journey. We'll share the findings from a clinical trial and what they could mean for you.

Learn how to get started, what questions to ask your doctor, and hear one patient's experience.

### Date and Time

March 14, 2024  
6:30 - 8:30PM CST

Midwest Hemophilia  
Association
