

Your education connection.

Knowledge is power, and education is the key that unlocks that power. Sanofi is hosting a program that you may find helpful as you navigate life with hemophilia.

Factor up: The role higher factor levels could play in your treatment plan

Learn about the importance of Factor VIII levels and what a first-in-class treatment could mean for your management plan. [This program will feature a healthcare provider and a patient living with hemophilia A].

Program information:

Date: Thursday, August 08, 2024

Time: 06:00 PM - 07:30 PM CDT

Location:

Blue Moose
3030 SW Wanamaker Rd
Topeka, KS, 66614

Hosted by:

Kyrie Smith

CoRe Manager

(816) 986-8382
